MODULAR Cameras
HOT-SWAP YOUR TACTICAL CAMERAS

The CORE System is completely modular, allowing operators to attach 5 different cameras to a CORE Grip or POLE Grip. The modularity of the this system provides the flexibility to quickly and easily switch camera heads during your operation.

1: CORE Under Door Camera
2: CORE Articulating Scope
3: CORE Flex Camera - 18in
4: CORE Flex Camera - 10in
5: CORE Pole Camera Head
