

# TACTICAL BOMB TECH KIT

SPEC SHEET: TACTICAL ELECTRONICS

EOD TOOL  
KITS

## DESCRIPTION

The Tactical Bomb Tech Kit was developed by Bomb Technicians with extensive experience providing support to Tactical Units. The kit contains essential tools for the Tactical Bomb Tech including the WASPP, Multimeter, RIP Kit, 1st Line and Milwaukee tools. The slim profile backpack includes modular pouches allowing you to customize your equipment load out per mission requirements. The Tactical Bomb Tech kit includes external pouches for additional equipment, a padded pouch for an XRS-150, and a pouch for a nano X-ray panel. The pack also includes two sets of shoulder straps and two side pockets with waterproof zippers to house disruptor and initiator. The backpack is available in Multi-cam, Tan, and Black.
